

REQUEST FOR PROPOSAL RFP 06-07-CAA1

PROPERTY AND CASUALTY INSURANCE BROKERAGE SERVICES

Announcement

The City of San Jose (City) is entering a broker selection process for the marketing and placement of several lines of Property and Casualty insurance coverage (schedule attached.) This document is not a request to solicit insurance quotations, nor is it an authorization to contact the insurance marketplace on the City's behalf. The City of San Jose requests that no marketplace contact be made at this time. Marketplace contacts will disqualify your firm from further consideration. This is a request for Broker Services proposal only.

The City is soliciting qualified firms to submit proposals for Property and Casualty Insurance Brokerage Services. Your firm is invited to submit a Proposal outlining the firm's qualifications to provide Property and Casualty Insurance Brokerage Services.

This RFP is utilizing an on-line solicitation tool (DemandStar) to facilitate this procurement. In order to register for this service, please contact Onvia customer support at (800) 711-1712. It is important that you indicate to the Onvia customer service representative that you are registering for City of San Jose procurements. There is no charge for telephone registration (new registrations only).
